

Epson SecurColor.

Get the advantages of printing color labels on-demand.

The smart way to print labels for pharmacy compounding.

Get all the advantages of color-on-demand labels and reduce your costs with Epson's SecurColor™ printer. It is an ideal solution for hospital compounding pharmacies for printing accurate, trouble-free color labels for unit dose, syringe and IV bag labeling. SecurColor prints vibrant,

smudge-proof labels on qualified media from 1.2" to 4.4" wide and complies with USP 797 standards for sterile preparations. And its Automatic Nozzle Checking technology ensures color accuracy at all times. Best of all, it features the quality and reliability that Epson is known for.
